Montreal Sketchfest is FINALLY back for our 15th anniversary, with our fine balance of independent comedy, laugh-out-loud brilliant shit, and a love for all things magical and alternative! We're dusting off the sacred sketch comedy conch and unleashing the laughter of the entirety of human history.

What have we all longed for the most in recent times? Sharing a drink and a giggle like we used to with best friends and strangers alike! We're bringing the vibes back to Montreal, so come see our rising stars and comedy beasts!!

Montreal Sketchfest would like to acknowledge that our work in Tiohtià:ke/Montréal takes place on the unceded Indigenous lands of the Kanien'kehá:ka/Mohawk Nation. Kanien'kehá:ka is known as a gathering place for many First Nations, and we recognize the Kanien'kehá:ka as custodians of the sacred lands and waters on which we gather.
